- Stanley Clute, Vice-president;
- Al Bliman, Second Vice-president;
- William K. Cross, Ontario Director.

There have been several discoveries recently of upside down Constitution dollars, die errors. The observe or reverse, depending on which way you look at it, was upside down. One of the specimens has been examined and apparently is authentic. Another error coin to keep a watchful eye for.

Trade dollars for 1983 Granum Diamond Jubilee are available from Stanley Clute. \$1.50 prepaid.

Club News: Our Club's Centennial Project has been placed for public view in the main branch of the Royal Bank of Canada, members wishing to view the display can do so at the branch on 101 Street and Jasper Avenue. Our display is all the more appreciated as it sits at eye level on the counter and it seems to meet the approval of many patrons.

Any new members or any members that did not receive a name tag can do so now. There will be a small charge of \$1.50 each with the Club picking up the remaining charge. Place your order now by sending in your name to the editor at Box 4111, S.S. Station, T6E-4S8 or at the next meeting.

The Edmonton Coin Club is 30 years young in 1984, to commemorate this event we are planning a Bourse and Auction Show in the fall of 1984 at the Sandman Inn. Details will be forthcoming in the near future; but as of now the Executive is looking for volunteers to contribute on the different committees. If you are interested please let us know at the next meeting, as an undertaking such as this takes considerable time to plan.

Recently I read an article concerning survival of local coin clubs. As I read I tried to relate this to our situation here. The important things to remember is our meetings should be interesting to all members and guests, make visitors feel welcome, contain a planned program and put out an interesting and informative newsletter. If any member has any ideas that the editor could use for the newsletter please feel free to contribute by sending view points to Box 4111, S.S. Station, T6E-4S8 or leave them with the Secretary at the meetings.

Numismatic News: With the 1984 Olympics nearly here, the 1983 Silver Dollar coin from the U.S. Mint is now available. Orders can be placed at the Royal Bank of Canada any local branch, or from Albern Coins Ltd., Box 3950 Station B, Calgary, Alberta T2M-4M5. The new President of the C.N.A. is Geoffrey G. Canada Post President, Michael Warren recently stated, "If you wish indemnity, you may send your numismatic items by first class mail and register them, if their value is \$100.00 or less. If the value is over \$100.00 you must use the money packet rate.

The 5th Edition (1984) of Coins of Canada by J.A. Haxby and R.C. Willey has been released. Coins of Canada is a complete one-volume library of Canadian decimal coins, tokens, and paper money including major varieties. The coinage and tokens of all provinces before Confederation is included as well as Northwest Territories and French Regime. Retailing at \$3.50 (Cdn.) the book is available through bookstores or your local coin dealer or collectors.

A first for the United Kingdom is the striking of a one pound coin. The pound piece is slightly larger than our Canadian 10¢ coin. As it is not popular with the people, it may suffer the same demise as the Susan B. Anthony dollar of the U.S.A.

Rare coins, the #1 investment 73-83 as stated in U.S. research by brokerage firms. \$10,000 invested in 1973 would yield \$98,481 in 1983. The second best was oil, than U.S. stamps, silver and gold following behind.
