CLUB NEWS

The 1983 financial statement will be in the February Newsletter.

Plans are under way for the Club's 30th Anniversary Coin Show, which will be held September 21, 22, & 23, 1984 at the Sandman Inn. Committees are already in place and will be calling on members for their help and cooperation in the near future.

The name tags have arrived and will be distributed at the next meeting.

NUMISMATIC NEWS

The Royal Canadian Mint has introduced a first in Canadian coinage by marking the word "Canada" on the edge of the 1983, \$100.00 gold coin. Many years ago this was done as security lettering by minters as a means of discouraging coin counterfeiting attempts. Today it is regarded as a technique for enhancing a coin's esthetics and adding visual interest. Mintage will be limited to 200,000.

REMINDER

Membership fees for 1984 are now past due. Newsletters will not be sent to members whose fees are not current. Paper, copying and postage consumes most of the annual fees.

Numismatic News

Coin Week Canada will be held from April 15 to 21, 1984. The theme this year is "Numismatics- A Foundation For Friendship", relating to the role coin collecting can portray in developing new friendships. (Plans are in the works for setting up displays at two malls in the city during Coin Week 1984).

The Royal Canadian Mint not only produces two different dollar coins for 1982, but two varieties of the fifty cent piece as well. The two varieties are called Type I, High Relief, Large Beads (118) and Type II, Low Relief, Small Beads (123).

The mintage, distribution and relative scarcity of 1982 Type I and Type II fifty cent pieces is not known, but Type II seems to be scarcer.

A 1862 B.C. \$10 gold piece sold through a gallery for a price just over \$100,000 U.S.

The Coin Show raffle tickets for the fall show were distributed to members. The tickets are a good source of revenue for the Club, so do the best to promote the tickets and the show.

Our thanks to Louis Smith for his presentation on Canadian Decimal Coinage. The photography and effort were A-One.

Meeting adjourned at 9:15 p.m.

April 10, 1984 Meeting: For our next regular meeting we have invited Dr. L. Wojtiw, the Editor and Secretary-Treasurer of the Prefix Club of Edmonton. Please plan to attend, as we would like to see a full house, mark it on your calendar now.

As Coin Week Canada is around the corner, the Club will once again be setting up displays. This year we will be at West Edmonton Mall April 14 and Capilano Mall April 21 both days being Saturdays. Members who have time to spare would be most welcome to come and lend a hand. Leave your name and location preference at the next meeting with the President and we will set up a suitable time.

Program: Dr. L. Wojtiw, from the Prefix Club will give a presentation on the new Canadian bills in currency and the significance of numbers and letters on the bills. Please plan to attend.

March Meeting: There were 26 members in attendance at the March meeting. A brief business meeting on the agenda took place before the regular auction. The President mentioned Albert Kaiser's show on May 5 and 6 at the Sandman Inn for anyone wishing to attend. Coin Week Canada is upon us once again and volunteers will be needed at tables. Displays will be at West Edmonton Mall on Saturday April 14 and at Capilano Mall Saturday April 21. Please leave your name and time available with us at the next meeting.

Albert Meyer on another of his trips will gladly purchase or obtain sets of New Zealand coins for any member who wishes one.

Arthur Cloed will be having an auction in May at the Mayfield Inn and needs good material for the auction. Anyone who can help Arthur in this venture, please contact him at the next meeting or phone the Secretary.

Coin Show 1984: Ticket sales are going well, keep up the good work. The 1984 trade dollar for the club should be ready for marketing soon.

A commemorative wooden nickel is being prepared and should be ready for the show in September 1984.

Club News: Anyone interested in preparing a scrapbook for Coin Week Canada, Scrapbook Competition, please let the Secretary know. This is a great way to promote our club to other clubs and receive a little recognition for our member volunteers.

Name tags for new members or anyone who wants one, are still available, contact the secretary as an order will be placed in the near future. There is a small fee of \$1.50 per tag to help cover cost.

Numismatic Notes: If any trade dollar collectors all of a sudden have found collecting hard to find pieces readily available, there is a reason for this. It seems a Vancouver firm has been restriking E.C. trade dollars.

The paper pound in Britain is still alive and well and living in the U.K. as there is heavy opposition to a metal pound being struck.

Isle of Man has released a new plastic one pound banknote with a life expectancy of 5 to 15 years. Paper notes wear out after an average of 9 months. Haiti is the only other nation currently issuing plastic banknotes.

The Bank of England is studying the matter closely, as their notes only last 6 to 7 months.

Perhaps the United States and Canada will consider the same course.

SHOW EXHIBIT RULES AND REGULATIONS.

REGISTRATION:

Displays must be registered by 2:00pm on the day of the show. There will be a \$ 1.00 charge for each exhibit registered. Exhibitors have the right to choose a suitable category for their exhibits, but may only enter one display per category. Once an exhibit has been registered, it cannot be changed or transferred to another category. No identifying marks other than registration numbers may appear on or near the exhibit.

GENERAL:

An exhibitor does not have to be a member of the Edmonton Coin Club. Exhibits must consist only of items which are exclusively the bona fide property of the registered exhibitor. The number of cases making up one display must be recorded with the Display Chairman. Persons wishing to remove their exhibit(s) before the close of the show must have the permission from the Committee Chairman.

JUDGING:

Decisions of the judges will be final and will not be open to scrutiny by anyone other than the Display Committee. The Committee will verify points awarded to each display and establish the winner in each category. However, the judges may, at their discretion and for the improvement of exhibitors of future exhibits, make verbal comments, but shall not be required to do so.

A display must earn 80 to 100 points to qualify for first prize, 65 points or more for second prize, and 50 points or more for third prize. Awards receiving 65 or more points may be awarded honorable mentions at the discretion of the judges. The above point system shall not apply to junior exhibits.

The junior category is open to anyone 16 years and younger. Their exhibit may consist of any numismatic material, and, if desired, may be entered in any other suitable category.

The novice award is open to those competitors who have never won a prize in any coin show exhibition. The winner may come from any category.

The Court of Honor is restricted to displays which have won first prize in any previous show. .

Best of Show : the winner may not enter the same display in subsequent years, the exception being the Court of Honor. The first prize winners in all categories, except Court of Honor, are eligible to win Best of Show.

SECURITY:

Security will be provided during the show and overnight, however, it is the responsibility of each exhibitor to ensure that their displays are properly hinged and secured, preferably locked. Also, no liability shall be attached to the Edmonton Coin Club, its officers or its members, either in their official or individual capacities, due to the theft of, or loss of, or damage to any material placed on exhibit.

C.N.A. Hamilton, Ontario: Congratulations to the Calgary Coin Club for coming first and Regina Coin Club for placing second in the Scrap Book Competition. Good work and good representation for the West.

Club News: The Coin Club's 30th Anniversary Show preparations are winding down, the souvenir program is ready for the printers. Advertising for the program went rather well, with printing costs covered plus extra for any expenses incurred.

Ticket sales were stalled for the summer, but the next meeting should bring sales up. So, members do not forget to bring your books of tickets to the meeting.

Trade dollar sales have been steady, with over half being sold. Gold and silver plated coins will be available at the next meeting. The prices are \$10.00 for silver and \$15.00 for gold (24k.).

The wooden nickels have arrived and will be available at the next meeting.

The exhibit part of the show is creating interest as we already have 12 entrants registered with several other applications in the mail. The Calgary Club leads the list, so let's see more participation from the Edmonton Club. I will have applications at the meeting for anyone who wishes to register.

Coin Show posters have been printed and will be handed out at this meeting for distribution; it is also to be advertised in the papers and radio.

PLEASE do not forget to bring your sold books of tickets.

Numismatic News: The Royal Canadian Mint is putting the final touches on Canadian plans for the 1988 Calgary Olympic Games Coin program. The number of coins to be issued has already been decided and designs selected.

It is believed current plans call for 14 silver coins and six gold to be issued over a three year period. If everything goes according to plan, the first coins for the Calgary Games could make their appearance by late 1985.

The 1976 Montreal Olympic Coin program produced a profit of over \$200 million, while Moscow reported a profit of \$80 million. But we're still paying for Montreal's games and will be for years to come.

Queen Elizabeth has approved two new images of her face, for use on coins in Britain and Commonwealth countries. In the new images the Queen faces right and wears the crown worn for state opening of Parliament. She also wears a pearl necklace and earrings.

Club members wishing to join, can do so by writing the Club or by contacting me at the next meeting. Membership fees are \$5.00 per year, \$10.00 for two years.

The Royal Canadian Mint has given the Queen a facelift on \$1.00 bills and on \$2.00 bills. The Bank of Canada which directs the printing of new bills, says a change in printing process will make the portrait of the Queen "slightly sharper" while the back of the note will feel smoother to the touch.

U.S. Treasury is in process of designing changes to American paper currency to make it more difficult for counterfeiters to duplicate.

Options considered are incorporating pastel coloured designs, similar to those on Canadian currency; or running a "security thread" vertically on a side margin of the bill. The thread could be seen only when held up to the light, but not visible when laying flat. One other option would be use of a hologram on a section of the bill, high powered laser beam actually carves a design into the bill. The currency change would be the first for the U.S. since 1929, when current bills replaced much larger bills known as "horse blankets".
