This years CNA was in Ottawa and the ANA in Philadelphia. Time

permitting, a 20 minute video will be shown on the History of the Royal Canadian Mint. See you there and don't forget it starts at 6:30 p.m.!

JUNE MEETING MINUTES

It was a dark and stormy day and 38 very brave numismatists traveled far and away, on roads unbeknownst to them, to a distant gathering place. They were uncertain whether their trip would be fruitful or just a risky circuit on foreign back roads. The Gods were kind to them on that rainy day and 38 members of the clan showed up to party and celebrate the great hobby of Numismatics. They were entertained inside the fabulous estate of their host and hostess, Mr. & Mrs. Ray Neiman. Many exotic tasty delights and wonderful drink were served and laughter was aplenty. After hours of tales of

the successful hunt for rare coins, notes and tokens, the lucky travelers supped on succulent steaks and all the trimmings, cooked to perfection. It is said that the powers that be so blessed this event, that the sun was forced to momentarily peak through the solid overcast, crowning an otherwise nearly perfect numismatic day! (by Dan G.)

CNA/ANA REPORTS AT SEPTEMBERS MEETING

Editor's Note

Thanks Dan for the report. Sorry I was unable to attend. MS.

Welcome Back!

Hope everyone had a good summer.

Although the weather was not the best, we hope you were able to get away to warmer, drier climes. Several members were away this summer and we hope to hear of any numismatic exploits at the upcoming meeting. If you have a story to share with the members, let us know at the meeting. Thanks to Dan, we have a great program lined up for this fall, and once again we have our Fall Coin & Stamp Show lined up. We're at a new venue again, and I'll fill you in on the details, later on in the newsletter. See you at the meeting. MS

NOVEMBER 11 & 12, 2000, SHOW REPORT

Once again the ENS will be holding a fall Coin & Stamp Show. Due to a management change and increased costs at the last venue, we were once again forced to find a new location. The Coast Terrace Inn is centrally located along Calgary Trail. We have a large room on the 1st Parkade level, with direct underground access for Public Parking as well. The Hotel has over 400 parking stalls underground and at ground level. At this time, we only have 3 dealer tables awaiting confirmation, with many of our regular dealers not contacted yet due to the holidays. We expect a dealer sellout once again. We already have 2 - 1st time dealers on a waiting list! Tickets for the show are once again \$1 in advance and \$2 at the door, and will be available at our September 13 meeting. Anyone wishing to provide a display for the show may do so by contacting Michael Schneider. Sunday we will have a guest speaker at our Breakfast Meeting. Members and guests are welcome to attend. For more information, see the enclosed flyer on the Show.

A Message from the President – Dan Gosling

How was your *NUMISMATIC SUMMER*? Did you acquire any new items or visit a fellow collector in a different city? The thrill of the hunt for that rare item and the sharing of the discovery with a friend is what our hobby is all about. Some of the club members visited the **Canadian Numismatic Association Annual Convention in Ottawa** at the beginning of August. The **CNA** celebrated its **50th anniversary** with an action-packed 5 days. Why not give some thought to attending the 2001 CNA in Quebec City next July?

We are very excited about our fall program schedule.

James Kindrake will be giving another interesting talk on **World Coins**. **Reinhard Hermesh** is preparing what should be a fascinating look into the future of **The Coin Market In An Interconnected World**. **Ron McDonald** is set to teach us all about **Digital Photography**. Please remember to dig out some items for our **Charity Auction** in December. Last year we raised \$250 for the Food Bank.

If you have a request for a special topic at a future meeting please let one of the executive know. *We aim to please!* We are always interested in what you have recently acquired and welcome contributions to our regular “**show and tell**”.
